

River Rendezvous

July 12 - 14, 2024

The 25th gathering of dance adventurers

Join us at Coshocton Lake Park where three rivers meet!

Toss the Possum

Toss the Possum is a rockin' duo with Rob Zisette on fiddle and foot percussion and Laura Zisette on keyboards. They have captivated dancers at countless dance weekend and festivals since 2004. Their energetic sound is eclectic, lyrical, driving, and smooth rooted in traditional fiddle tunes with a jazz and rock influence. They'll wow you with their original tunes and flowing waltzes.

Drive Train

Drive train, hailing from Maine, is a duo of rocking contra musicians who bring a DRIVE to contra dance music like no other band. Ed Howe's masterful fiddling pairs up with Bennett Konesni's high energy on the guitar, making this duo unforgettably dance-able. They believe in bringing music back to its roots, by leveraging the drive of bluegrass: "playing in the pocket" creating movement that lifts dancers' feet.
